Welcome to Woodlands!
At Woodlands, all staff are committed to every student's academic and social growth. Linking our families and the community to Woodlands is very important to student success and we strive to provide families with information about their child's learning growth on a consistent basis, keeping two-way communication open at all times.

Our Mission
“Together we learn, laugh and grow.” All of our goals are focused around this mission. It starts with a shared commitment to learning for all our students. This is a responsibility among teachers and staff, parents, and students. Our success depends upon all of us working together.

Woodlands Elementary School

Our School
Woodlands Elementary School opened in 1981. Our building has 23 classrooms and is open from 8:30 a.m. to 4:30 p.m. The instructional day is 9:10-3:25 each day except on Thursdays when students are dismissed at 1:55.

The main building has a gym, library, classrooms in pods, special education rooms, music room, speech/language room, health room, staff work rooms, and an office/administrative area. The three instructional pods each have six classrooms. A portable building with two rooms contains childcare and a preschool. Adjacent to the building are a covered play area, a playground, and athletic fields.
