PERSONNEL

Termination of Employment
The superintendent has the statutory authority to terminate a certificated staff member. The board of directors may terminate a classified staff member based upon the recommendation of the superintendent.

Resignation
In order to permit proper staff planning and to minimize inconvenience to others who may be affected, certificated staff who plan to resign at the end of their contract period should notify the superintendent of their resignation of retirement by May 1.

Those staff members who are not contractually obligated to complete the current school year should notify the superintendent as early as possible of their intent to resign and no less than 30 days prior to their last working day.

Retirement
Staff who become eligible to retire under the controlling retirement system and who intend to retire at the end of the current school year should notify the superintendent prior to May 1st of that year.

Those staff members intending to retire who are not contractually obligated to complete the current school year shall notify the superintendent as early as possible and no less than 30 days prior to their retirement date. The District office may assist them in making arrangements for their retirement benefits.

Program and Staff Reductions
It is the responsibility of the board of directors of the Central Kitsap School District to operate a quality educational program within the framework of state requirements, community desire, and the financial resources available, and in so doing to determine the programs to be maintained and the number of said employees to maintain them. Quality education for students as well as fair and just treatment of said employees shall always be prime considerations.

If administrative, supervisory, and/or non-represented employee staff reductions should become necessary, job descriptions within programs retained, qualifications, and on-the-job performance shall be the criteria used, not necessarily in order mentioned, to determine which administrative, supervisory, and/or non-represented staff members will be retained.
