Here are two ways to get to the Parent Portal sign-in page:

- https://campus.rockdale.k12.ga.us/campus/portal/rockdale.jsp
- On a mobile device with a camera, scan this QR link:

Once there, create a Parent Portal account by following these instructions.

If you see more than one GUID, use the one with your name.

4. Write down the 32-digit GUID. You’ll need it on the next screen*.

*TIP: Instead of writing down the GUID, you could right-click the link to open it in a new tab. Then copy/paste the 5 parts of the GUID from this tab to the new tab.

6. Transfer the GUID from the previous screen into these 5 blanks.
Create your Parent Portal username. It should be your email address.

NOTE: Do NOT use your child's RCPS email address.

Log in with the username and password you just created.

Enter an email address—probably the same email address you just used for your Parent Portal username.

Re-enter the Parent Portal password you just created.
