

# New Car Rider/Bus Lanes at General Ray Davis Middle School!!

Dear GRDMS Parents,

Beginning Wednesday, August 11, buses at GRDMS will use the RIGHT entrance lane and drop off and pick up students at the FRONT of the building. Car rider drop-off and pickup will follow the LEFT entrance lane and pull into the row that matches your car tag number.

We hope that this new procedure will make student drop-off and pickup faster, safer, and easier for everyone. Thank you for your patience as we make adjustments.

**IMPORTANT – All car riders are required to have a valid GRDMS car rider tag. Students will not be released in the car lane without a valid car rider tag. Parents/guardians will be required to park, walk to the front entrance of GRDMS, and present ID for students to be released.** Please refer to the GRDMS website for more details to register for a valid GRDMS car tag.
