Dear Parent/Guardian,

Brooklawn's annual Back to School Night is Monday, September 13th. You should report directly to your students first period class by 7:00 p.m. Please note that only one parent or guardian per student is permitted to attend. We will begin our program with some brief remarks via the intercom. There will be no large meeting to start, but a video message will be sent out from the Administration prior to the event.

Back to School Night is a night for the parents to visit the school and meet their child's teachers. Please do not bring children to school that night as the building is crowded, and supervision is not provided.

For those parents that would prefer not to attend in person, pre-recorded video information messages will be sent out and available on our website. Please note that all of the information that teachers will be discussing on Monday, can be found in these videos as well. If you have any follow up questions you can email the teacher directly.

To be sure you have accurate and complete information (teachers' names, room numbers, etc.), please discuss your child's schedule with him/her and print out a copy before you arrive. Maps of the school will be available when you arrive at the school. You may use any of the six doors in the courtyard to get into the school building.

Parking at the school will be extremely limited. You can park in St. Christopher's parking lot and ride our shuttle bus from 6:30 – 9:00 p.m. Please remember that you must have a mask on when riding the bus and inside the school building at all times.

Enjoy your visit and welcome back to school!

Carly Stout
 Principal
