**Key Covid Mitigation Info**

Please review these basic Covid mitigation strategies that will be in place in addition to universal masking. This list is not all-encompassing.

***Note- physical distancing will not be a reasonable mitigation measure in most spaces due to the number of students returning to in-person learning***

- Cafeteria
  - Additional space being used in lecture hall and outdoors (weather permitting) to provide more opportunity for physical distancing.
  - Students will be seated by class to allow easy identification of close contacts should a student test positive for Covid.
  - Students will be reminded to only remove face coverings when actively eating/drinking, not when socializing.
- Classrooms
  - Classroom furniture is being arranged to allow physical distancing to the maximum extent possible.
  - All classrooms will have hand sanitizer available for students. Teachers will have access to disinfectant cleaners to use as needed.
- Hallway Lockers
  - Hallway locker use is optional.
- PE Lockers
  - PE locker rooms are open but optional. Students will not have to dress out if they come to school in clothes/shoes that are appropriate for physical activity.
- Water
  - Water fountains will remain closed to start the year.
  - Students are asked to bring refillable water bottles to school. We have several water bottle filling stations around the building that are open.
  - The main office will have bottled water available for students who forget their water bottle.

**Attendance**

*School Board Regulation*

Attendance is in accordance with Prince William County School Regulation 724-1. Absences are classified as excused or unexcused. Excused absences are defined as “illness or death of a family member; medical and dental appointments; emergency conditions in the home; and reasons of extenuating circumstances as judged by the principal.” All other absences are unexcused.

As we continue to work through the Covid-19 pandemic, we ask that students who are not feeling well in the morning stay home. Do not put others at risk by chancing coming to school when not feeling well. Students are asked to complete the PWCS Daily Home Screening before departing for school each day.

*Absence Notifications*

The school must receive verified contact from a parent/guardian within two school days for an absence to be counted as excused. Verified contact can come in the form of a note delivered to the main office, a call to the Benton attendance line or by submitting the note electronically on our website. A note
must contain the student’s name, date(s) of absence, reason for absence and have a parent/guardian signature. Please note the following about the attendance line option:

- (571)374-6756 will connect you to the **voicemail only** attendance line.
  - The attendance line should **only** be used to report full-day absences. It should not be used to report tardies, early checkouts, etc.
  - You may receive a call back from our office staff if any additional verification is needed.
- Our online absence reporting tool can be found on the Benton website, under the ‘Our School’ heading. Please note that this form can only be used to report full day absences.

**Tardy to Class**
Students must be in their assigned advisory/homeroom by the 8:20am bell. Those who arrive after this time are tardy to school and must check in at the main office. Excused tardies are defined as illness, medical or dental appointments, emergency conditions in the home, or extenuating circumstances as judged by the administration.

**Pre-Arranged Absences of 3 or More Days**
Students must bring a note to the office prior to the absence for approval by the administration. Students with pre-arranged absences are responsible for obtaining and completing missed work.

**Early Dismissal Policy**
Students who wish to leave early should bring a note signed by a parent/guardian stating the reason and time of dismissal to the office first thing in the morning for processing. We ask that you do not plan to pick up your child after 2:30pm.

**Make-Up Work**
Students receiving excused absences are responsible for contacting their teachers to arrange for make-up work. Most assignments and instructional materials will be posted on Canvas. Due to the varied demands on teachers for make-up work, teacher discretion shall determine the type/amount of work and when students shall make up work for prearranged absences. Teachers shall not be required to provide assignments in advance of the absence; however, assignments requested in advance may be provided at the teacher’s discretion. A student whose absence is unexcused is still expected to make up all missed assignments and assessments.

**PWCS DRESS CODE**

Students are urged to dress for success each school day. Their overall appearance, while on school grounds or virtually, should be based on the health and safety of an inclusive school community. It is understood that student dress may reflect outdoor weather conditions throughout the school year, however, students should refrain from wearing any item of clothing which may cause a distraction or disruption to the educational process or compromise the physical and emotional health and safety of the student or others. Students whose appearance disrupts instruction may be asked to change clothing.
Also consistent with Virginia Code §§ 22.1-276.01 and 22.1-279.6, these dress and grooming guidelines were created to maintain gender neutrality by creating equitable standards regardless of gender and to not have a disparate impact on students of a particular gender.

**Prohibited items of clothing include:**

  o Repeated offenses- Parent/guardian may be asked to come to school to pick up the device.
• Students who bring electronic devices to school are responsible for their own devices. The school is not responsible for any lost or stolen devices.

BUS TRANSPORTATION REGULATIONS

Benton students are designated to be bused to school. No students are permitted to walk to school. Should an incident occur on the bus, students should notify their driver/administration immediately.

Riding the school bus is a privilege. Improper conduct on the bus will result in that privilege being revoked.

Parents may transport their children to/from school. Students who wish to ride a bus other than their regularly scheduled bus or who need to disembark at a different stop must follow these steps:
  • Bring a parent signed note requesting a change to the main office before homeroom.
  • The following information is required on the note: student’s name, friend’s name and the bus number.
  • Bus passes should be picked up during lunch in the cafeteria.
  • Present the Benton Bus pass to the bus driver when boarding the bus.
  • Questions regarding bus routes and schedules should be directed to the central transportation office at (571)402-3940.

LOCKERS

All students are assigned their own lockers. Locker use is optional for students in 2021-22. Students are responsible for the conditions and up-keep of their lockers should they use them. All students are expected to follow the guidelines below or are subject to having their locker privileges suspended or revoked by the administration.

• Locker sharing is prohibited. Combinations should be kept private.
• Do not put any items in your locker that are prohibited on school grounds.
• No open drink containers or unwrapped food. No glass containers.
• No Flammable liquids to include cologne/perfume.
• Locker damage due to abuse is the responsibility of the student. Kicking, slamming, etc. can result in damage. Students will receive appropriate discipline consequences for engaging in these behaviors.
• If there is a locker problem, a student should report to the next period teacher and follow that teacher’s instructions.

SCHOOL SAFETY

A Safe School Environment
• No drugs, alcohol, or tobacco products.
• No weapons.
• No fireworks.
• No odor causing agents such as stink bombs, air freshener, etc.

**Class Changes & Hallway Safety**
To keep hallway noise and confusion at a minimum, students are asked to walk to the right at all times. Students should take care of bathroom and water needs before arriving to the next class.

**Fire Drills**
State law requires regular fire drills. When the alarm sounds, follow adult instructions, leave your classroom and walk silently in a single file line through the exit to the designated waiting area. Your teacher will call roll to make sure everyone is accounted for when your class is safely outside. An administrator will give a signal to teachers indicating "all clear" to return to the building.

**Lockdown Drills**
State law requires regular lockdown drills. All lockdown drills will be announced in advance to parents and students. When a lockdown drill is announced, follow adult directions and remain silent. An administrator will announce when the drill has ended. Your classroom teacher will provide more detailed instructions during our first lockdown drill of the year.

**School Visitors**
All visitors must check in at the main office and have a valid photo ID. Parents wishing to visit their student's classes must submit a request at least 24 hours in advance to the school. All visitors to the building must wear face coverings regardless of vaccination status when school is in operation.

**STUDENT ACHIEVEMENT**

**Standards-Based Grading/Grading Regulations**
At Benton, we believe that student grades should reflect student progress towards defined standards. Graded work should have a well-communicated purpose, and feedback around assignments should be timely. Grades are assigned using the requirements and grading scales set forth in PWCS Regulation 661-2. All high school level courses taken at the middle level adhere to the requirements set forth in PWCS Regulation 661-3.

**Report Cards**
Report cards are issued four times a year. Final quarter grades are posted in StudentVUE and ParentVUE and a hard copy is mailed home. A NG or ‘No Grade’ is given in cases where a student has been unable to complete enough assignments to adequately show their progress against the required standards. A NG must be changed to a letter grade for the quarter prior to the end of the year.

**Conduct/Effort Grades**
Rubrics for conduct and effort grades can be found at the end of this document. These rubrics are designed to provide common language around these grades for students, teachers and parents to refer to. Communication should occur in advance if a teacher plans on assigning a ‘U’ for a conduct or effort grade.
**Honor Roll**

Honor roll lists will be published at the end of each nine-week grading period.

- **Principal's Honor Roll:**
  A student must earn an "A" in achievement in each class in which he/she is enrolled.

- **Honor Roll:**
  The student must have a "B" average with no more than one "C" in achievement. There must be at least one "A" to bring the "C" to a "B" average.

**Misc. Info**

- Students may renew a book if no one else has reserved it.
- Student may check a total of three books at any one time.
- Students are required to pay for lost or damaged books.

Textbooks
Textbooks are issued to each student for academic courses. Many of our courses now use online textbooks. Physical copies of online textbooks are available for students upon request. Students are responsible for keeping textbooks in good condition.
STUDENT PICK UP AND PARKING

Student pick up and parking procedures are implemented to provide a safe environment for our students and an effective traffic flow for emergency vehicles, school buses, parents, and visitors.

ALL DRIVERS NEED TO FOLLOW THESE PROCEDURES:

- **Morning and afternoon drop off or pick up**
  Drivers should turn right into main lot, stay to right and continue around the perimeter driveway in a single file line, and then drop off students at the established drop off point.
- **Drivers should not cut through the lot or drop off or pick up students in other locations as this often causes the student to cross active traffic.**

Special Event Parking and Traffic Control

During special events, access to the upper parking driveways and parking lots is limited. Special events include our Back to School Nights, concerts, sports tryouts, field events, and games.

- **Fire lanes shall remain open and shall not be used for standing or parking. Cars parked in fire lanes are likely to be ticketed.**
- Traffic cones will be used to designate the flow of traffic into the main lower parking lot.
- Drivers picking up or dropping off students should use the same procedures established for Morning/Afternoon Student Drop Off explained above.
- Delivery, handicapped or other special needs parking is permitted in the upper lot on a space available basis.
- Overflow parking is available in the parking lot of Coles Elementary School during special events only.
