To Sign On From Your Phone or Personal Computer

1. Make sure your student is signed in the first time. To do this, visit www.google.com in your browser, click on your profile picture, and click "Add another account." If you are not signed in to Google, click the blue "Sign In" button.

2. Enter your **student's** Google username and password to log in.
3. Visit <https://health.gbaps.org> (or click on the button in the GBAPS app)
4. Click the Sign In button

5. Complete the questions on the following screen and hit the submit button.
6. On the confirmation page, if you have another student to enter, click "Submit Another."

Thank you for submitting your screener. You may close this tab.
