## PREBLE FFA CITRUS SALE POSTPONED

### ATTENDANCE

The school attendance policy is outlined in the Student Expectation Booklet. It is important that you call the Attendance Office at 920-391-2403 to report the absence of your child.

If your child misses class, you will receive an automated call, informing you that s(he) was absent.

Each year the Green Bay Preble FFA does an orange and grapefruit sale as an opportunity to provide fresh citrus fruit to the Preble community. A decision was made by the Preble FFA Officers to postpone this sale to a time when we can safely reach our customers. Our citrus fruit supply company has shared they also have the same quality of oranges and grapefruit in February and March as they do in December, when we normally have this sale. Thank you for your support.

### INCLEMENT WEATHER CHANGES DURING VIRTUAL LEARNING

While the District is in off-site (virtual) learning, our inclement weather process will be different than normal. If the weather conditions are severe enough to call an inclement weather day, the District will inform families and the public that our school buildings are closed and that no meals will be served. All students will be engaged in virtual learning.

When the District moves to blended learning, we will return to our normal process, and during an inclement weather day there will be no school.
