Dear Preble Families,

This has definitely been a different start to the school year. Today, marks the end of the 5th week of virtual school. Although not what we are used to, staff and students are adjusting to this virtual environment. It is not perfect by any means but it appears to be getting better every day.

Thank you for partnering with us to ensure a positive experience for your child. Please continue to encourage your child to remain engaged and participate.

Every Wednesday every student is required to join their Advisory teacher in a google meet which starts at 9:16am. Please remind your son/daughter to log in.

There is a lot of useful information in the newsletter. Please pay special attention to the section labeled Virtual Learning Updates.

We look forward to a great school year. Additionally, we are hopeful that we will be able to return to our school building soon, where we can come together as the Preble School Community.

Regards,

Natasha R. Rowell
