Resolution to Adopt NIMS (National Incident Management System) as the All-hazards Incident Management System for the Hillsborough Township School District

WHEREAS, in Homeland Security Presidential Directive (HSPD)-5, the President directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS), which would provide a consistent nationwide approach for federal, state, local and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to, and recover from domestic incidents, regardless of cause, size or complexity; and

WHEREAS, the collective input and guidance from all Federal, State, local, and tribal homeland security partners has been, and will continue to be, vital to the development, effective implementation and utilization of a comprehensive NIMS; and

WHEREAS, it is necessary and desirable that all Federal, State, local, and tribal emergency agencies; and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management; and

WHEREAS, to facilitate the most efficient and effective incident management it is critical that Federal, State, local, and tribal organizations utilize standardized terminology, standardized organizational structures, interoperable communications, consolidated action plans, unified command structures, uniform personnel qualification standards, uniform standards for planning, training, and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters; and

WHEREAS, the NIMS standardized procedures for managing personnel, communications, facilities and resources will improve the town's ability to utilize federal funding to enhance local and state agency readiness, maintain first responder safety, and streamline incident management processes; and

WHEREAS, the Incident Command System components of NIMS are already an integral part of various incident management activities throughout Hillsborough Township, including current emergency management training programs; and

WHEREAS, the National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of a standardized Incident Command System; and

NOW, THEREFORE, BE IT RESOLVED by the Hillsborough Township Board of Education that the National Incident Management System (NIMS) is hereby established as the standard for incident management in Hillsborough Township Public Schools.

Old Business

Mr. Jordan stated that he has had problems viewing recent board meetings on channel 14 and asked if that could be looked at.

Mr. Jordan then asked if the state has given any indication on what to expect as far as state aid for the 2011-12 budget.

Mr. Mahmoud responded by stating that the district has not received preliminary numbers from the state.

Mr. Jordan then asked what the board is anticipating having to cut as part of the budget process. He asked if courtesy busing is something that is going to be looked at this year. He then asked when the teachers' contract is up for renewal and if they will be required to contribute to health insurance.

Mr. Rocco stated that the teachers' contract ends on June 30, 2011 and that the state now requires all public employees to contribute 1.5% of their salary.

Mr. Schneider stated that he likes the idea of cutting back on paperwork by sending some of the board packet electronically.

Mr. Hudes suggested that the packet can also be printed on both sides of the page.

Mr. Rosenberg stated that he thinks the entire packet can be delivered electronically.

Adjournment

A motion was made by Mrs. Haas and seconded by Mrs. Le to adjourn the meeting at 8:25 p.m.

Upon call of the question, the motion carried unanimously.

Respectfully submitted,

Aiman Mahmoud
 School Business Administrator/
 Board Secretary
