

## Bruce Wayne

Bruce Wayne has been a Hillsborough Raider all of his life. He is a product of the Hillsborough school system and graduated from HHS in 1979. While at HHS, Bruce was active in sports, playing baseball, basketball, and football. He was also active in many other school activities such as the Varsity Club and student government.

With all the work Bruce has done for the athletic program, he is being inducted as a contributor. Bruce was responsible for the Field Turf stadium renovation. He served as the general contractor, coordinating all phases of the preparation, in many instances using his own equipment. Bruce was also instrumental in the construction of the pole barn, baseball dugouts and baseball scoreboard.

Bruce has been president of the Raider Touchdown Club for the past nine years, overseeing fundraising and growth of the club. He is a unique person because Bruce has continued his commitment and dedication to HHS athletics beyond his son's involvement with the program.

Finally, Bruce can always be seen as part of the football sideline chain crew during home games or as an active spectator at baseball and basketball games.

It is with great pleasure that the HHS Hall of Fame Selection Committee inducts Bruce Wayne into the Class of 2007 because of his endless loyalty, hard work and contributions to the Hillsborough Raider Athletic program.
