

Dear Fourth Grader,

Hello. I hope you are enjoying your summer vacation. I am so excited for our upcoming year together! Fourth grade is such a memorable year at Sunnymead! You will be learning about different regions of the United States, participating in new explorations in Science, receiving your music recorder (you know how I love the recorder:), possibly joining chorus, enjoying the Fourth Grade Function and of course developing into an even more creative writer! But, the best part of this journey for me, is being able to share it with you and your parents!

I would like to share some exciting news about my family. My daughter Ashley has just finished her third year as a 4th grade S.T.E.M. teacher and will be teaching again this fall. My daughter Gabrielle graduated from Make-Up Designory school in Manhattan and is employed by a salon in Bedminster.. My teacup yorkie Peanut will be turning 11 years old on September 20th, and our newest addition Peaches, our miniature Dachshund, just turned 3. This summer was spent relaxing by our pool and spending time with our family and friends.

In September, I will be starting my 34th year of teaching. I still love what I do. I can't wait to see how much you have grown over the summer. We are going to have a fun-filled year of learning! Also, please have your mom or dad pack you a **nutritious snack with a water bottle only!**

I have absolute confidence that this will be an exciting year for us all! **Please note the items below that I would like you to bring on the first day of school. PLEASE make sure you **unwrap** all packages prior to bringing in your materials.**
